Inclusive Church Sunday

Churches that register with Inclusive Church are encouraged to mark 'Inclusive Church Sunday' at some point during the year. To assist churches in this Inclusive Church has drawn together a body of material that could be used. This is available here as a PDF download. [1]

Services after Civil Partnerships and Same Sex Marriages

Inclusive Church has prepared a resource pack that can be used as materials for services of dedication and thanksgiving following a civil partnership or same-sex marriage. This is available here as PDF download [2]

For advice on drawing a service together, or to help locate a church or minister who may be able to help with your blessing - please contact the National Coordinator [3].

Hymns and Songs

Choosing hymns that reflect a more inclusive image of God may be something that you could use to enrich worship in your church setting. There are some suggestions on this page. [4]

We would recommend Wild Goose music and worship resources from the Iona Community and June Boyce-Tillman's 'A Rainbow to Heaven' hymns, songs and chants, published by Stainer & Bell
