Poverty Resources

Inclusive Church has drawn together information and resources

around issues of poverty.

We are grateful to Savi Hensman, lead IC trustee on Poverty for drawing these resources together.

[The resources can be found here](#) [1] and are intended as a resource to further support our churches in this work.

The ?statement of belief? of Inclusive Church states ?We believe in inclusive Church ? church which does not discriminate, on any level, on grounds of economic power??

Churches are also places offering a huge amount of service and support to those who live with economic poverty. At the same time - some living in poverty often experience exclusion from faith communities, there are things that churches could do better to ensure this doesn't happen.
