It is with great sadness that we learned of the death of Professor John Hull. Following a serious fall at home, John died peacefully in the early hours of Tuesday morning (28th July).

John has been a great friend to Inclusive Church over the past few years. He was a key speaker at the first Disability Conference at St Martin in the Fields in 2012, returning to speak again at the conference in 2014.
These conferences with John were the springboard for the Inclusive Church Resource Series. [1] John generously wrote our book on Disability that was published in 2014.

We know that many will miss. Our thoughts and prayers are with his wife Marilyn and their family, and all who knew and loved John. We pray that he may rest in peace.
