2021 General Synod Elections
Inclusive Church List of Supported Candidates

The candidates on this list have publicly signed up to the following:

> **"I am committed to equality for everyone, at all levels and roles within the church, regardless of gender, disability, ethnicity, socio-economic status, mental health or sexuality."**

Guidance to Voters

1) Find your diocese on the list and use your first preference and highest preference (2nd, 3rd, etc.) votes to support all the inclusive candidates. **Do consider all of the inclusive candidates listed for your election equally and distribute your highest preference votes among them** – you don't have to vote for them in the order that we have listed them, but make sure your "1" is definitely next to one of the inclusive candidates, "2" for your next favourite on the inclusive list and so on.

2) Once you have used your highest preference votes for our supported candidates, continue to vote for other candidates on the ballot who you want to support. **Read their election statement carefully, and if they are not clear on issues like ordained women's ministry or fully supporting same sex relationships do not vote for them.** Some candidate make nuanced and obfuscating statement on key issues, or don't mention them at all – don't be caught out!

3) Next, move on to those who you would not mind representing you and then stop. You do not have to vote for every candidate, **do not put any number against a candidate who you would not want to represent you on General Synod.**

4) **Forward this list to other voters you know** - both clergy and laity. We need the list to be spread far and wide.

Our partners in supporting these candidates include:
Affirming Catholicism • Campaign for Equal Marriage in the Church of England • General Synod Gender and Sexuality Group • Modern Church • MoSAIC (Movement of Supporting Anglicans for an Inclusive Church) • OneBodyOneFaith • Open Table Network • Ozanne Foundation • Progressive Christianity Network • Society of Catholic Priests • WATCH (Women and the Church)
