

Seven Ambitions

Our Strategy for the Next Chapter.

In June 2025, we developed a new strategy to help us deliver our [vision](#), comprising seven specific ambitions.

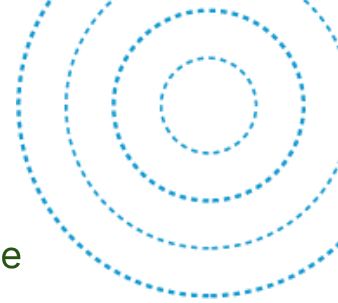

Each ambition will be led by a working group comprised of staff, trustees, and volunteers, and if you're interested in getting involved, we'd love to hear from you. You might bring specific skills, experience, or knowledge; or your most valuable contribution might be your time, commitment, and lived experience. Each working group will need a range of voices, so even if you're not sure where you'd fit, please get in touch. If one particularly catches your attention, that's a great starting point. If you would like to get involved, please email natco@inclusive-church.org to find out more.

We look forward to hearing from you!

Inclusive Church

Include Everyone: inclusive communities everywhere

An affirming and welcoming inclusive church within reach, physically or online, for everyone, within 10 miles or 30 mins.

Invite Reimagining: transforming society's view

Changing how society sees the church – by making Inclusion the norm, not the exception, assumptions of rejection and discrimination will no longer apply.

Intersectional Thinking: dynamic thinking on inclusion

A dynamic, theologically rooted approach to embodying discipleship, through the lens of overlapping realities of marginalisation across our nine areas of inclusion.

Involve Others: active network

A connected, committed network where members are supported and actively contribute to the community.

Inform and inspire: resource support hub

Offer resources and guidance for individuals, groups and churches to support them on their inclusion journey. Articulating challenges, sharing hope and celebrating success.

Interact Collaboratively: mutual partnerships

Intentionally nurturing mutually beneficial partnerships rooted in shared purpose, where each brings their strengths so together we can do what none of us could do alone.

Invest in our Future: charity sustainability

Building the resourcing and structures needed to deliver our vision; sustainably growing our capacity, confidence and long-term impact.
